Subject: Chinese Drywall Protocol Seminar

Chinese Drywall Seminar - Removal and Disposal Florida State Professional Coalition for Chinese Drywall Removal

Notes from Chinese Drywall Screening, LLC:

Here is information on a seminar regarding protocols for removal and disposal of tainted Chinese drywall. This coalition is made up of highly talented and credentialed professionals. They have been working long and hard on this so expect some valuable information to be disseminated.

I made some changes to the resource page. It has all of my previous e-mail blasts. You can't get to it from the home screen so you may want to bookmark it. Here's the link: <http://www.chinesedrywallscreening.com/resource.html>

Seminar Information:

FAU . School of Architecture . Institute for Design and Construction

Seminar: Chinese Drywall Protocols

When: Thursday, August 13, 2009

Where: Broward College Central Campus, Institute of Public Safety Building 22, Big Auditorium 2912 College Ave. Davie, FL 33314

Time: 8am to Noon

Seminar: Chinese Drywall Removal & Disposal Protocols

The Florida State Professional Coalition for Chinese Drywall Removal will present their findings. The seminar will cover topics such as inspection and evaluation, responsibility, environmental health and safety, micro cleaning, de-construction details, and more.

The featured speaker is Ron Bailey, President of Bailey Engineering Corp in Jupiter and Co-Chair of the coalition. A brief update on Florida's new Mold Law will also be provided by Maurice Baum, QPIH, CMC, CHMM.

If you work in the construction industry you cannot afford to miss this seminar!

The seminar is presented as a public service, free of charge by:
FAU, Institute for Design and Construction
The American Indoor Air Quality Association
Environmental Research and Restoration Inc.

Please RSVP with your phone #, fax #, email, company name, and list of attendees to: Fax 954.989.3377 or email err2003@bellsouth.net

FAU Institute for Design & Construction Office
111 East Las Olas Blvd., AT604
