Subject: Protocol Seminar Re-cap and General Update on Chinese Drywall

Chinese Drywall Newsletter

Greetings,

I'm overdue in sending out my newsletter so I combined several topics into one e-mail that include some information from the protocol seminar as well as some general information I felt worthy of passing along. Here is a list of items attached or included to the right.

1. Re-cap of the protocol seminar from 8-13-09 provided by Karen Scott
2. Link to CPSC August Status Report
3. Radioactive/phosphogypsum press release
4. Article on Nelson taking the issue to China
5. Good summary of agencies, what they are working on and when it was or will be released.

Information and News

1. See attached e-mail from Karen Scott providing an great overview of the Chinese drywall removal and disposal seminar.
2. Link to CPSC's status report for August: [Status Report](#)
3. Link to CPSC's press release on radioactive drywall or phosphogypsum not a concern: [Press Release](#)
4. Link to article about Senator Nelson taking the issue to China, "first time a member of Congress has raised the drywall issue face to face with a high-level Chinese official" : [Article](#)
5. Summary of agencies and associated action. See attached file "Reviewing Agencies 081909.v2.pdf". This is a comprehensive list of all the agencies involved with Chinese drywall, what they are doing and when they release(d) their reports.
